Fall Conference
October 6, 2011

Speaker Owen Dahl: "In today's healthcare things aren't like they used to be! The better prepared you are the better the outcome! How do we overcome the "we've always done it that way" and "that's the way we were taught" to be prepared for this ever changing environment? An interactive presentation lead by Owen Dahl will help understand the issues more clearly and provide practical suggestions about how to become more efficient."
